

# PACKING LIST

Updated 2024

It is a good idea to **label all items** with your first and last name, using permanent marker or name tapes. Staff may use the laundry service provided weekly or use their time off to use the laundromat in town.

Army-style footlockers are required for clothing and should be no larger than 32" (L) x 18" (W) x 13.5" (H). If you are an international staff member, please contact the Assistant Director to reserve a trunk/footlocker for you. Additionally, please coordinate any shipping luggage needs with the assistant director.

In accordance with the American Camp Association, we also advise you that pocket knives, fireworks, and matches are prohibited items. Pets are also not allowed.

*This packing list was made by a few staff members and is a suggested list to give you an idea of what to bring. Keep in mind comfy clothes for camp and sometimes nice ish clothes for going out.*
