Enrollment Information and Policies

Cabin Placement Policies

Camp is a place for making friends, both NEW and old!

- Although we will gladly consider requests made for 1 cabin mate, ***WE MAKE NO GUARANTEES!*** Careful consideration is given to group and individual personalities, geographical diversity, length of stay, and prior experience at camp as well as cabin requests. Individualized weekly schedules and daily free periods afford constant opportunities for campers to spend time with new friends or old who are living in different cabin groups.
- Please do not assume that requests from prior summers will be carried forward. Renew requests each summer.
- Requests NOT to be with other campers are strongly discouraged since campers' behavior at camp is often very different from their behavior at home. However, such requests, if made are given priority over requests to be with other campers.
- **Cabin requests made after May 15th will not be included in the cabin placement process.**
- Cabin groups will not be disclosed prior to the campers' arrival at camp. Please don't ask before then.

- Red Pine Camp reserves the right to dismiss, without tuition refund and at the Directors' sole discretion, any camper whose behavior is deemed harmful to herself or the camp community.
- Red Pine Camp is not responsible for the loss or damage of campers' personal property. Parents may be responsible for damage to the property of others occasioned by their child's intentional acts.
